A house that's lived in.

I love a house that's lived in
With clutter here and there.
A Magazine left open,
A jacket on a chair.

A smell of something cooking
A special recipe?
An over-eager offer
Of hospitality.

I love a house that's "lived in"
As it seems to stand apart.
Oh' I love a house that's lived in.
For me it always stands apart.

Plastic Free July Campaign

For those who have not seen the e-mail sent out by the District Governor Elect Les Ewen may I paraphrase his message to District members.

Quote:- "I will be joining the millions of others worldwide as I choose to refuse any commodity from any purveyor that is packed in single use plastic"

He appreciates that this will be very difficult to accommodate by maintaining his/our current shopping practice, but trying to do something is far better than doing nothing in an effort to reduce the worlds carbon footprint.

He goes on to ask us to give him feedback on how we plan to tackle this problem. Ideas?

Plastic Free July® is a global movement that helps millions of people be part of the solution to plastic pollution – so we can have cleaner streets, oceans & beautiful communities. Will you be part of Plastic Free July by choosing to refuse single-use plastics?

Tidy up of “the Narrows”

Our stalwart team - Dorothy Greaves - John Howell - George and Elaine Turner have continued to clean up the Narrows for which many thanks.

An unbelievable four sacks of rubbish were taken to the tip, proving it is a popular short cut used by the public and planted to reflect the changing seasons.

Do take a look the next time you are shopping in Lutterworth. Elaine would welcome extra volunteers. Please let her know if you are interested and she can give you the next proposed date.

Change of President 2023 – 2024

The handover to our new President Martin Iliffe took place on Monday 26th June from our current President Roger Rose who has had a very successful and varied year which included welcoming our Ukrainian guests to the area and the club. The club would like to thank Roger for his service and hope he enjoys his break from the daily cut and thrust of Rotary.

Joint Golf Day Monday 5th June with Rugby

President Roger Rose opened the charity golf day by driving off the first tee with a respectable shot at Lutterworth Golf Club on Monday 5 June .

Fifty six players joined our third year of the joint Rugby and Lutterworth Rotary Charity golf day. Whilst numbers were down on the previous years, players enjoyed the golf and hot dogs which were supplied at the half-way house.

The net proceeds amounted to £1,344.50, sharing with Lutterworth, thereby swelling our Trust Account with £672.
